IDProtect™

Each day more and more people fall victim to identity theft. Recouping losses caused by identity theft and clearing your credit takes money and time. At USCCU, protecting our members' identity is our highest priority. That's why we offer our members IDProtect, an active, full service identity protection program. By enrolling in IDProtect, you not only protect yourself from identity theft, but also your spouse, dependents under 25, and your parents (living in your house). Don't let identity theft threaten you and your family! Ask about this coverage today.

Preferred Member Discount

Designed with our members in mind, the Preferred Member Discount package of benefits can save you money on things you already buy. Things like movie tickets, eyecare and eyewear, prescription drugs, travel, and entertainment. It also offers cash back member rewards, extended warranties, and AD&D insurance. Access all of this online with ease!

Financial Counseling

Sometimes life throws a curveball, but we're here to help you get back on track. Regain control of your debt with our Financial Counseling program. Review your credit report, set up counseling sessions, create a Debt Management Plan, and use the online education software. Just another benefit to membership.

Extended Vehicle Warranty

All our members have the opportunity to add an Extended Vehicle Warranty to their vehicle loan. Our Extended Vehicle Warranties are a low cost way to make sure your vehicle is protected in the event something goes wrong.

Direct Deposit

No more rushing to get your check cashed before business closes! We accept direct deposit of your payroll check to your account at US Community Credit Union.

USCCU Online Banking

USCCU provides free online access to your accounts through Freedom Online Banking. You can check recent transactions, transfer funds, and view cleared checks, 24/7 from the comfort of your home computer.

Mobile Money

Ever wish you could check your account while you were at the store? Now you can with Mobile Money. Mobile Money allows you to view your accounts right on your cell phone.

Mobile Check Deposit

Working late and not going to make it to the credit union on time? No worries! Mobile Deposit gives you the ability to deposit checks anywhere you are through your smartphone.

Fraud Prevention Service

USCCU uses a fraud prevention service to help protect our members from fraudulent activity on credit and debit cards. You may be notified if suspicious transactions, or transactions outside your normal spending pattern, have been noticed on your US Community Credit Union Visa® credit or debit card.

Notary Service

Our member service representatives have the ability to notarize your important documents. Just bring them into a branch and ask a member service representative for more details.
